Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Wednesday 04 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry morning but heavy showers during the afternoon.

Today:
Mostly dry with some sunshine in the morning. Isolated heavy showers expected in the afternoon, possibly thundery. Feeling warm in the sunshine in between showers, with light winds. Maximum temperature 21 deg C (70 deg F).

Tonight:
Any remaining afternoon showers will ease into the evening leaving clear spells. Some mist and fog patches could develop but will clear by morning. Minimum temperature 14 deg C (57 deg F).

Thursday:
A persistent band of heavy showers will move east across the region from the early hours. Heavy showers remaining throughout the day with locally strong winds, especially in coastal areas. Maximum temperature 19 deg C (66 deg F).

Outlook for Friday to Sunday:
Remaining unsettled with extensive heavy, thundery showers on Friday. Showers continue into Saturday with sunny spells. Further sunny spells on Sunday with scattered showers.
